

Glen Helen Ecocamp 2025: Scholarship Application

Dear Parent / Guardian,

With support of generous donors, Glen Helen Eco-Scholarships are made available to legal residents of the Village of Yellow Springs, students of Yellow Springs Schools, and a limited number of other need-based applicants. We believe that the summer camp experience is one of the most valuable experiences a child can have. Our hope is to make that experience available to every child!

Scholarship awards are granted based upon financial need and level of interest in our mission to steward environmental education. The number and value of scholarships awarded is dependent upon the number of requests received and the funds available each season. To apply, please complete the following:

1. Complete the application on the next page and mail or email it to contacts below. Alternatively, an application can also be completed online at the following link (<https://forms.gle/8y9zX9ggjZctrkoM6>).
2. Along with this application page, a parent or guardian must submit:
 - a. A written request to Glen Helen Outdoor Education Center about why they would like to send their child to Ecocamp. Please include your need or hardship, annual household income, and the number of people in your household in the letter.
 - b. A letter or drawing from your child briefly explaining why they want to come to camp.
3. [Register](#) for Ecocamp online and make your deposit to secure the camp. Once the scholarship is awarded, if the funds are insufficient and you are unable to pay you may cancel your registration with repercussions.

Applications will be accepted through **March 31, 2025**. Please submit an application for each child within the household requesting scholarship support. You will hear from us by April 28th with an awarded scholarship amount. Please direct questions regarding scholarships and/or the application process to Meigan Turner, OEC Operations Manager, at mturner@glenhelenassociation.org or call our office at 937-767-7648.
